tel +46 8 566 313 12 – +46 70 311 40 64  
(lars.blidfors@karlebo.se)

**Consarc Engineering** – Vacuum heat treatment furnaces

**Cyrus** – Vibration systems and Charging Machines

**DISA Moulding** – Moulding plants, mixers and core shooters

**Donaldson Torit** – Filter equipment

**EMSCO (Electric Melting Services) Ltd** – Repair of induction furnaces, coils, water cooled leads and associated systems

**Enviromatic** – Refractory installation and vibration systems

**Frölich + Klüpfel** – Decorating machines

**General Kinematics** – Vibration Systems, Large Shakeout Systems and Spiral Casting Coolers

**Karlebo HM Verkstad** – CAD-constructions, manufacturing, reconditioning, service and preventive maintenance

**IBW** – Ladles

**Inductotherm** – Induction furnaces for melting of iron and steel

**Metabrasive/Stelux Steel Shot, Steel Grit, Stainless shot**

**Pangborn, Berger Strahltechnik and Vogel & Schemman** – Shotblast machines

**Schemman** – Shotblast machines

**Progelta** – Teeming automatic machines

**Simpson** – Sand coolers sand and test instruments for moulding and core sands

**Somako** – Spare parts and service for BMD horizontal moulding machines

**Yuatsuki** – Runner breaker for foundry runners

**Bertil Andersson**, Sale  
Tel +46 8 566 313 02 – +46 8 70 620 22 56  
(bertil.andersson@karlebo.se)

**BTB Transfer** – Multispindle rotary transfer machines

**Farmbrass** – Equipment for industrial heating with gas

**INDUGA-KWC** – Low-pressure chill automatic machines for brass

**Metabrasive/Stelux Steel Shot, Steel Grit, Stainless shot**

**Pangborn, Berger Strahltechnik and Vogel & Schemman**

– Shotblast machines

**Andreas Ernstig**, Sale  
Tel +46 371 130 20 – +46 70 528 08 20  
(andreas.ernstig@karlebo.se)

**ABB Automation Technologies AB** – Industrial robots and robot accessories

**Bosello** – X-ray equipment

**Brescia Presse** – Retrofit of die casting machines

**Evolut** – Robotic automation

**Forma** – Chill and press casting tools

**Gauss** – Complete chill casting plants

**IECI** – Thermal regulators for moulds

**Italpresse** – Die casting machines

**J & S Chemical** – Dosing automatic machines and piston lubricants

**Karl Ley** – Melting and holding furnaces

**Metabrasive/Stelux Steel Shot, Steel Grit, Stainless shot**

**Pangborn, Berger Strahltechnik and Vogel & Schemman**

– Shotblast machines

**Striko Westofen** – Melting and dosing furnaces

**V.B Meccanica** – Injection equipment for hot and cold chamber die casting machines

**Martti Nummisto**, Sale  
Tel +46 70 109 03 06  
(martti.nummisto@karlebo.se)

**Clansman Dynamics** – Heavy duty manipulators for cutting, grinding and hammering. Power Breakers and Wedges

**Çukurova** – Feeder sleeves and exothermic materials

**Enviromatic** – Refractory installation and vibration systems

**Foundry Automation** – Shell sand machines

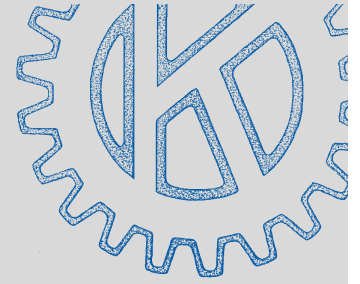

**Hexion** – Binders for mould and core production

**Koyama** – Automatic grinding and cleaning machines

**Magaldi** – High Performance Conveyors

**Omega** – Mixers and sand recovery system

# Aftermarket

**Gerd Andresen**  
Aftermarket & Spare Parts  
Tel +46 8 566 313 03  
(gerd.andresen@karlebo.se)
